### **Heat Treatment Fumigation Services**

Exciting News! We are thrilled to announce together with our business partners we are offering fumigation solution at our Vancouver, BC facility to tackle the strict regulations from the Australian Department of Agriculture and the New Zealand Ministry for Primary Industries when it comes to brown marmorated stink bug (BMSB) heat treatments.

No more compliance headaches! Our cutting-edge Vancouver facility is now your one-stop shop for Heat Treatment Fumigation. Whether it's containerized or flat rack goods, we've got you covered.

And that's not all, folks! We also offer a full spectrum of transportation services that'll make your logistics dreams come true:

- Cross Docking – Import and Export
- Over Dimensional Transloading – Import and Export
- Ocean and Air Transportation services
- Intermodal Freight moves
- Dry Van and Flat Deck transportation
- Specialty Equipment trucking
- Full Crating and Packing Services

Ready to experience a seamless, stress-free solution for all your transportation needs? Don't hesitate—get in touch with us at requirements!!
